Prayer Requests:

Trip to the Interior: Over 1300 miles to visit 7 students & their families in 4 remote communities....the trip was amazing! Pray for the students to know how much they are loved by God. Pray for good rest for those who are about to head on home service with their families. Pray for wisdom and strength as a few of them will be graduating this year and heading south for college. Pray that their hearts will be drawn towards Christ and that they pursue Him more than anything else. Pray for them to have good friends who will point them to Christ.

Foster Kids: These kids continue to be on my heart. I am praying for loving foster parents to step forward & provide safe homes for these students where they can hear the gospel.

KCS Chapel: I had a great time sharing at chapel last week & I am very thankful for how this school continues to point their students towards Christ. Join me in praying for the students to become lifelong followers of Christ.

Camp Staff: It has been encouraging to hear people interested in serving as counselors this summer! Please join us in praying for wisdom as decisions are made & for all of the other staff positions to be filled.
