Prayer List

Thanksgiving Outreach: Last week, our church played a part in getting almost 100 Thanksgiving meals out to families who need them! We are praying for relationships that were built to lead to gospel sharing and disciple making opportunities.

Former Youth Group Students: I am thankful for these former students who are actively following Christ & guiding their families towards Him. Join me in praying for these young adults to keep going & for others to join them in their pursuit of Christ.

Third Culture Kids: I am thankful for these students & how they serve in communities across the north with their families. This week I am praying for those away at school to finish the semester well & have a great time over the break with their families.

Winter Challenges: Longer nights, icy roads, & sickness are just some of the challenges that come with this season here on the island. Join me in praying for safety on the roads & trails, good health, & opportunities to share Christ.

Special Friends Trip: Next month, we are taking a team of adults with special needs back to California on another discipleship trip. Pray for God to prepare the hearts of those who will be traveling & for wisdom as we still work out many of the details.
